

JWAT-Tools v0.2 (2012-02-22)

Changes:

- Added tag Matches JWAT-0.8.0
- Restructured into separate source files.
- Improved error list to also show offset and record type.
- Add switch to display error list.
- Fixed path separator in .sh.
- Moved some arc/warc detection to JWAT.
- Fixed some minor stuff.
- Fairly functional decompress and test.
