

# JWAT-Tools v0.5 (2012-05-18)

## Changes:

- Forgot to bump version to 0.5.0.
- Updated to latest snapshot.
- Included interval, unpack and arc2warc tasks.
- Added start offset in exception output.
- Updated to latest JWAT API.
- Added compression of WARC and single files.
- Compression of ARC is incomplete in this version.
